ELEPHANT WALK 2011

**SUNDAY
25th
SEPTEMBER
2011**

The first **10** entries to raise **£50** in extra sponsorship will receive a **FREE** copy of 'Elephants in Royal Leamington Spa' signed by Janet Storr and Sue Hitchmough.

Elephants used to live in Leamington Spa!

The **Elephant Walk 2011** is a fun, educational, short walk* around the parks in Leamington Spa on **Sunday 25th September 2011**. You and your family will be able to learn more about where elephants used to live and some of the historical points of interest you pass every day. A fun map of the route containing questions about places in Leamington Spa will make it an enjoyable experience for all the family.

The aim

With your help **Leamington Round Table**, organisers of the **Elephant Walk 2011**, are aiming to help raise money for **RP Fighting Blindness**.

How to enter

Just fill in the entry form overleaf and hand it in to your teacher/school office or send it with your payment back to the Treasurer. There is a minimum sponsorship fee to take part of **£10** (per family), it will act as your sponsorship of the event. However, we would **encourage you to raise more money by using the form overleaf**.

Prizes!

There will be a prize for the largest individual sum raised and for the best elephant mask!

What is Retinitis Pigmentosa?

RP for short is the name given to a group of hereditary disorders which affect the Retina — the light sensitive tissue at the back of the eye, where the retina cells die leading to sight loss and blindness. About 25,000 people in the UK have RP and at present there is no know cure. In some cases both sight and hearing are lost. RP can be very aggressive in the young.

Take part in this event and help us in our fight against RP, and give hope to all those people across the UK who are losing their sight. To find out more go to: <http://tinyurl.com/leamspa>
