

Dear Parents

### **Year 9+10 Battlefields Trip to Ypres – March 2012**

I hope that you read my recent letter regarding this letter with interest, and that the children have come home enthused about the visit, both educationally and socially. While the trip is a little way off yet, unfortunately, the paper work must begin. If you would you be so kind as to fill out the consent section and return it so school I will then be able to confirm numbers attending the trip and provide more detailed information on the visit.

I truly believe this will be an excellent trip and I hope that your son / daughter will be able to join us. If you would like to discuss anything to do with the trip, please feel free to contact me.

I look forward to hearing from you.
