

ARNOLD LODGE

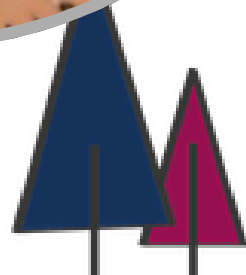

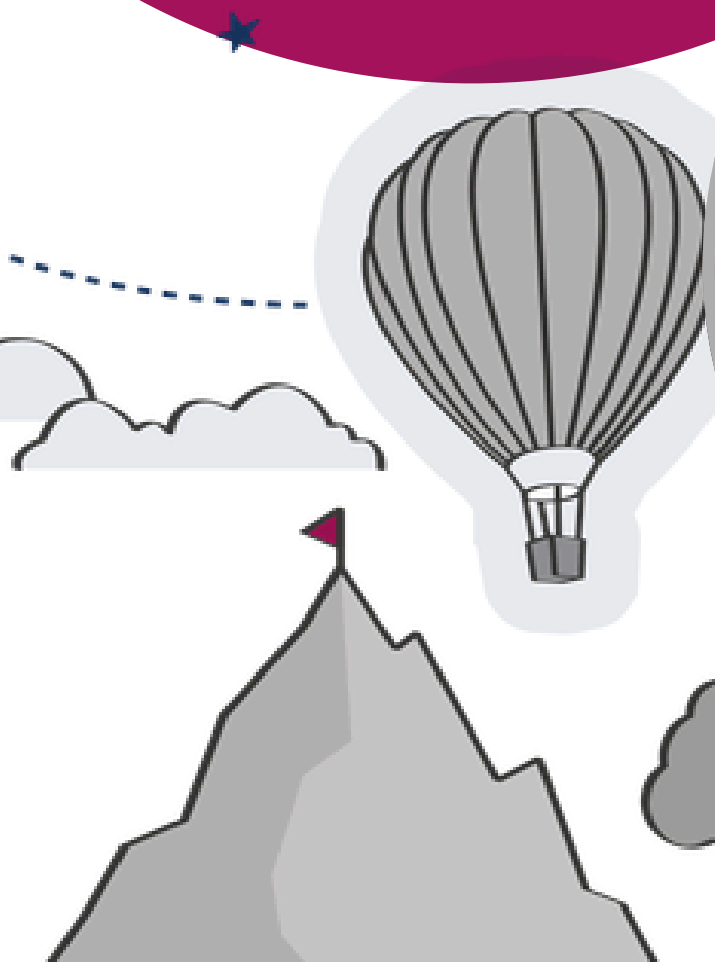

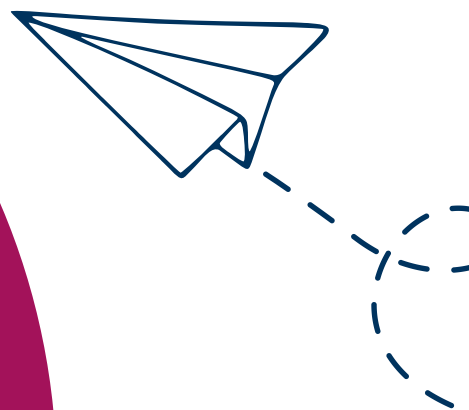

**Reception Fees & Funding for
Academic Year 2025 / 2026**

Introduction to Arnold Lodge

At Arnold Lodge School, we build on a child's natural enthusiasm, excitement and spirit of enquiry to instil a love of learning and ensure they achieve their full potential. Our pupils experience the joy of aiming high and the satisfaction of achievement, both academically and in other areas of the school both within and outside of the classroom.

We are registered with Warwickshire County Council to provide Early Years Funding for eligible 9 months to 4 year olds. We have put together this guide to help you understand and make the most of your entitlement.

Children who are 3 - 4 year olds are automatically entitled to 15 funded hours, term time which equates to 570 hours per annum. This entitlement begins the term after their 3rd birthday. A parental declaration form will be sent out via Funding Loop following acceptance of your place at Arnold Lodge. This must be completed to access the funding.

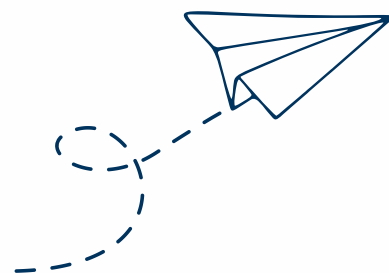

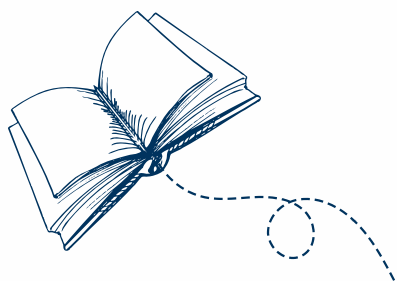

Further information on funding and other entitlements such as EYPP, DAF and Tax Free Childcare may be found here <https://www.childcarechoices.gov.uk/>.

Tax Free Childcare

You (and your partner) need to be working and earning less than £100,000 per annum. For every 80p you pay in the government adds 20p. The government will top up your account with 20% up to a total of £10,000 per annum. This could equate to £2,000 per child.

Once you have paid your money in, select 'Arnold Lodge School' as your provider and pay the money to us.

Full eligibility and applications can be found here - [Apply for Tax-Free Childcare - GOV.UK](#).
